(TGA Registration: 223902)

Indigo Care provides a molded "V" Cable Adaptor to be used with any call points with jack socket outlet. The product is designed to perform in tough environment but with safety in mind. The "V" Cable Adaptor is made for call point that have a pendant but requires a separate outlet for additional nurse call devices such as fall sensor mats, PIRs or wireless receiver. There are two types of "V" Cable Adaptors to choose from. The choice will depend on your existing nurse call system. The "V" Cable Adaptor gives flexibility to the residents by enjoying another call device and allows extra monitoring with minimum cost.
