LONG PRESSURE MAT
(760mm X 110mm)

Bed Sensor Pad (Under Mattress)

PRODUCT CODE: MED-NC-B365-UM-4
(TGA Registration: 223902)

Indigo Care provides a pressure sensitive Premium Bed Sensor Mat that is designed for UNDER MATTRESS to immediately alert staff should a resident leaves the bed. This is most useful to residents who are at risk of falling out of their bed, or those who require assistance in arising from the bed. The sensor mat may not be suitable for some mattresses eg. air mattress. The bed sensor mat is connected to your existing nurse call system via the monitor and a Y-Cable. Once the resident removes themselves from the mat and tries to leave the bed, the sensor mat will activate the monitor's alarm and alert the staff. There are a set of instructions printed on the actual mat. Eyelets at the end of the mat are for easy storage.

Manufacturer recommendation:

Check the sensor mat is compatible for the mattress before purchased.

KEY SPECIFICATIONS:

- **Dimensions: 760mm X 110mm**
- **Connection: RJ11 on 500mm curly cord**
- **Electrical Resistance <100 Ohm**
- **White PVC, Thickness 0.20mm**
- **IP Rating: 65**
- **Warranty: 12 months**

PRODUCT ACCESSORIES:

- **Y Cable**
- **Anti-temper Monitor (use 4 x AA batteries-not included)**
- **AC Adaptor (optional)**
