LARGE PRESSURE MAT

Carpet Floor Sensor Mat

MED-NC-FM-63BK (Black) & MED-NC-FM-63GY (Grey)

Indigo Care's foldable carpet top floor sensor mat looks and feels like a rug, it is comfortable underfoot and aesthetically pleasing. The colours are grey and black to suit most decors. So, you can safely monitor your resident/patient's movements without them being aware.

The mat is low profile, extremely easy to use and clean. It has short pile carpet top and a non-slip plastic material underneath. It is splash proof and the carpet top can be steam cleaned. It is available in both a hardwired and wireless version, making it very adaptable. It has a handy side pocket to place either the wireless transmitter or extra lead length from the Y lead.

The hardwired version includes a Y lead and the wireless version can be ordered as a kit which includes: carpet foldable floor mat, transmitter and receiver unit with 9V power adapter. All items can be ordered separately.
